### TEEPACK: Organisational change in Head of Sales and Aftersales

Dear Ladies and Gentlemen,  
Dear Customers,

After 6 successful years Mrs. Goldhahn decided to leave the Teepack – family to take over a new working challenge.

The whole Teepack – family and I am personally as the Teepack - CEO regret her decision deeply. For that moment I can only say thank you for these fruitful and absolutely successful years. I wish you and your family all the best for your future.

From 1<sup>st</sup> January 2021 onwards Mr. Roland Delapille is announced as the Head of Global Sales. In a strong and trustful teamwork with me, Frank Wiedenmaier as the CEO, we will together take over the responsibility for you as our customer and will take care about your needs, including the Service & Aftersales.

We believe in our strength and expertise to be the best partner for you and your business.

Roland and myself are looking forward serving you as our partner.
